Prudential Standards

To protect the interests of policy owners and prospective policy owners, APRA issues prudential standards which general insurance companies must comply. The General Insurance Prudential Standards (GPS) apply to general insurance companies like AGIC.

Purpose

This document has been prepared for the purpose of satisfying the reporting requirements set out in APRA's Prudential Standards GPS110 'Capital Adequacy' (GPS110).

This document includes details on the Capital Base, Prescribed Capital Amount and Capital Adequacy Multiple for AGIC and Level 2 Insurance Group. GPS110 requires AGIC and Level 2 Insurance Group to publish these details, at least annually, so they are readily accessible to both policy owners and other market participants.

While this document is unaudited, it has been prepared in accordance with the Board approved Internal Capital Adequacy Assessment Process (ICAAP) and has been compiled based on audited information supplied to APRA.
