

INFORMATION FROM THE NSW EMERGENCY SERVICES LEVY INSURANCE MONITOR

Information

The Emergency Services Levy (“ESL”) is an amount included by an insurance company in a premium payable for the issue of a regulated contract of insurance for the purpose of recouping emergency service contributions required to be paid by the insurance company and which are used to fund emergency services in NSW in the financial year in which the contract of insurance commences.

The Insurance Monitor

The office of the Insurance Monitor was established, in June 2016, as an independent body. Among the functions of that office is to provide information and advice about emergency services levy reform and to monitor the prices for the issue of regulated contracts of insurance. Professor Allan Fels AO and Professor David Cousins AM were appointed by the NSW Government as the Emergency Services Levy Insurance Monitor and Deputy Monitor, respectively on 8 June 2016.
